How Do I Know if I'm Eligible?

- All BCPSS educators are welcome to apply regardless of grade level or subject area taught.
- Only one Experience Fund Grant may be awarded to any school in a given year. This means...
 - If multiple staff from your school are interested in grant funding, you will need to collaboratively submit one request.
 - If a staff member from your school has already been awarded an Arts Experience Fund Grant outside, you will not be eligible for an additional grant.
 - Separate funding is set aside through our Arts Accessibility Fund for the the district's five separate public day schools

Frequently Asked Questions

Why am I being asked to share student numbers and projected impact in the grant application?

Collecting data on the number of students served and impact of AED-funded programs helps AED to better understand and share the impact of our work. This not only helps us improve our offerings in the future, but also supports our ongoing work to secure more funding for more programming.

Another educator at my school is interested in applying for a grant. Can we both apply?

This will slow down your application process as we will respond asking you to connect and consider how you might share grant money as only one grant can be awarded per school per year.

Frequently Asked Questions

My grant application has been approved and have already talked with a provider about tickets to a show. Do I still need to enter a booking request into the Directory system?

Yes! Entering bookings into our system ensures that we have all of the information we need to track and process payments efficiently to providers.

If my bookings do not total the whole \$2,500, can I add additional programs to my application after it has been approved?

No. Applications are approved just for the programs listed on the application. Please carefully review estimated costs for programs listed in the Directory before submitting your application..

Frequently Asked Questions

Can I use Arts Experience Grant Funding to book transportation?

Yes! Arts Experience Grant Funding can be used to book transportation to and from any experience listed in our Directory. If you would like to fund transportation through your grant, please just be sure to include this in your grant application. You can view our AED-Funded Transportation listing in the Directory to learn more about the process of booking buses with AED funding.

Frequently Asked Questions

Why do I have to submit photos in my grant post-survey?

All AED grants are funded by donations. Donors love to know where their donations are going. Photos of experiences help us to secure more funding to support future programming. Please be mindful to only submit photos that are in alignment with your school's student photograph policy.
