EDUCATION INITIATIVE

# Baltimore Arts Education Initiative Timeline

**Collective Impact** is a network of community members, organizations, and institutions who advance equity by learning together, aligning, and integrating their actions to achieve population and systems level change.

| Collective Impact Element | Baltimore Arts Education Initiative Components |
| --- | --- |
| **Common Agenda** | All students in City Schools have equitable access to comprehensive, high-quality arts education– integral to well-rounded learning. |
| **Backbone Organization** | Arts Every Day serves as the backbone organization for the Baltimore Arts Education Initiative. |
| **Shared Measurement** | Districtwide data collection, analysis and insight that informs implementation. |
| **Mutually Reinforcing Activities** | Identifying opportunities for collaboration amongst educators, students, parents, arts partners, and other stakeholder to address specific issues. |
| **Continuous Communication** | Youth and parent advocacy organizing, data reports, BAEI Advisory Committee + working groups, Annual Town Hall Meeting with the CEO. |

# Baltimore Arts Education Initiative Ecosystem

A connected network of students, educators, arts partners, families, and community members working together to advance arts education across Baltimore City Public Schools.
