

**Modern World**

**HISTORY**

How did the political and economic revolutions in Western Europe lead to imperialism and the rise of nationalism throughout the world?

## ASSESSMENTS

**Visual Arts:** Propaganda poster evaluation

**Theater:** Reflective role-play journal

**Music:** Class anthem performance

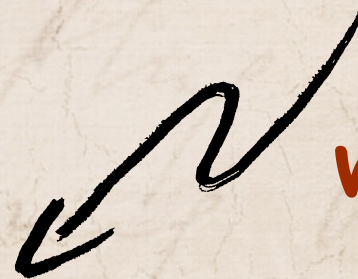

1

### Nationalism in Western Nations

Students will apply their knowledge of tactics used to nationalize Germany and Italy when creating a **propaganda piece** to support something they are a fan of.

2

### Nationalism in Non-Western Nations

Students will apply their prior knowledge of rebellions to a **revolutionary role-playing card game** where they act as various community members with conflicting motivations deciding whether to revolt and establish a new nation or to remain under foreign rule.

3

### Nationalism Fueled Conflicts

As a class we will work together to write a **class-ional anthem** with lyrics that reflect the class' values, priorities, and standing in the world as a whole.

# Revolutions and their Consequences

**Topic: Nationalism**

**What unites people into a nation?**

Measure students' understanding and application of knowledge! (BT-6)

### Arts Integration Supports

1. Emotional Connections (BT-1)

2. Experiential Learning (BT-4)

*Apply and check for understanding of knowledge through interactive gameplay.*

3. Critical Thinking (BT-5)

*Analyze and interpret visuals and song, and apply understanding in creating one's own visual art and song.*
