

SY25/26 Arts Experience Fund Application

About This Grant

Through this grant opportunity, Baltimore City Public Schools are eligible to apply for up to \$2,500 in funding to support school-day arts experiences during the current school year, including field trips, performances, and teaching artist residencies.

Before submitting your application:

- **Review AED's Arts Directory to identify your desired programs.** Grant-funded programs must be booked through our Arts Directory.
- **Confirm your school's eligibility:** Schools may only receive one Arts Experience Fund grant during any given school year.
 - If your school has already been awarded an Arts Experience Grant this school year, you are ineligible to receive another grant during the current school year.
 - If your school is one of our 11 Arts Every Day School Partners, you are ineligible to receive an Arts Experience Grant.
 - If your school is one of the district's 5 separate public day schools, you have access to our Arts Accessibility Fund instead of this broader grant.
- **Collaborate with administration and staff at your school:** Because schools may only receive one Arts Experience Fund Grant, it is helpful to coordinate with other staff at your building to ensure equity of access.
- **Review our Arts Experience Fund Guidelines and Arts Experience Fund Grant Agreement.** Email sam@artseveryday.org with any questions.
