

Scientists of the Sea Script

FQT2: Why and how do scientists explore the sea?

Directions: After reading *Ocean Sunlight: How Tiny Plants Feed the Seas* and *The Fantastic Life of Jacques Cousteau*, explain why and how scientists explore the sea. To do this, create a script showing two characters - a Knowledgeable Scientist and Curious Student - talking and learning more about the ocean and ocean exploration.

Part 1: Let's Practice Script Writing Together
