

**What Colors do you see? Do you see only one color or several colors? What shapes do you see? What textures do you see?**

*To make the viewfinder:*

- 1. Fold paper on the dotted line.*
- 2. While folded cut along the gray line.*
- 3. Open up and hold the viewfinder in your hand and extend your arm all the way out.*
- 4. Find a place where you can only see sky in your view finder.*
