

Daily Rituals

Goal: Create a positive, fun learning space.

Arts Integration:

- Sing and move to show plant growth (Seed → Sprout → Plant).
- Use body and rhythm to feel the role of sun, water, air.

Build a Positive Emotional Climate

Basic Needs of Living Things

What Do Plants Need?

Goal: Understand bees' roles in nature.

Arts Integration:

- Role-play bees, flowers, and beekeepers.
- Use the “Yes, and…” improv technique to use teamwork and demonstrate knowledge.

Lesson 14

Where Are All the Bees?

Lesson 10

Goal: Learn the steps of pollination.

Arts Integration:

- Work in pairs to act out 3 steps of pollination
- Create a Story Map.

Pollination Tableaus

Goal: Understand the 4 basic needs — Food, Water, Shelter, and Safety.

Arts Integration:

- Act out The Three Little Pigs to explore shelter and emotions (fear of the wolf).
- Use songs, dance, and group talk to remember the four needs.

Lesson 3
